Built-In Water Heater Bidet

CLEANSING

Warm water cleanses the rear area thoroughly and refreshingly.
60 SECOND AUTOMATIC SHUT-OFF!

WATER PRESSURE ADJUSTMENT

Water pressure is adjustable to 4 levels, as desired.

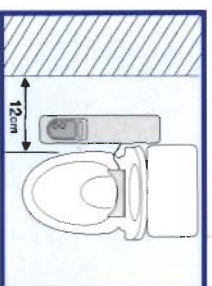

TEMPERATURE ADJUSTMENT

Water temperature is adjustable to 4 levels. This model has an electric built-in water heater.

BUILT-IN WATER PUMP

A built-in water pump maintains an even water pressure regardless of source water pressure.

SPACE CONSERVING

Its compact and simple design conserves space.
IT MAY BE INSTALLED ON EITHER SIDE, BASED ON AVAILABLE SPACE OR USER PREFERENCE.

Bia Bidet®

THE ULTIMATE IN PERSONAL HYGIENE

WOMEN'S HEALTH

Women's health deserves the best. Use *Bia Bidet*® everyday to maintain optimum health from youth through menstruation, pregnancy and menopause.

EASE HEMORRHOID PAIN AND RELIEVE CONSTIPATION

Excessive use of tissue can cause irritation. Clean washing water helps prevent infection. Water also helps by relaxing the sphincter muscle.

ENVIRONMENTALLY FRIENDLY

Bia Bidet® reduces paper usage because you wash with water. This is very good for homes with septic tanks.

A NECESSITY FOR ANYONE WHO FIND IT DIFFICULT TO HOLD PAPER OR TO REACH

PERFECT FOR CHILDREN!

Children do not always wipe well. With *Bia Bidet*® a complete, thorough wash is guaranteed. (Young Children should have supervision when using *Bia Bidet*®)
